

## **Donation to Pre School Market**

On 24 September 2020, the Company was represented by Deputy CEO, Mr Benjamin Ow, to make a donation to Pre School Market.

In total, about 92 sets of used telephone and associated accessories were given as part of a plan to help the preschool sector gain access to useful recyclables for education purpose. This was a first time collaboration and took months of planning and preparation.

The donation fits into one of the Company's ideals to improve the environment through recycle and reuse actions.

Even with Covid-19 situation, the Company seeks to continue to be a socially responsible entity through right initiatives with the right partners.
